**The Industry leader in air power, unit construction and ease of operation.** Little Wonder outperforms the competition on every job.

38% More Air Volume
Move debris further and faster in less time than the competition with unmatched efficiency.

5-Year Limited Warranty*
Optimax Blowers are backed with a handle-to-chute 5-year limited warranty

No Blowback
The Optimax blower split-stream pushes heavier debris and dense leaves, while eliminating blowback when moving tall piles of light debris.

Metal vs. Plastic
Optimax blowers offer the durability of all welded steel construction.

*Engine warranted separately by manufacturer

See the full line of Blowers at LITTLEWONDER.COM
The highest reduction ratio in the industry and the most powerful suction available today allows you to fit more in the truck and clear more properties in less time.

### Reduction Ratio

<table>
<thead>
<tr>
<th>Reduction Ratio</th>
<th>Impeller</th>
<th>Discharge Chute</th>
<th>CFM</th>
</tr>
</thead>
<tbody>
<tr>
<td>Up to 15:1</td>
<td>Toothed impeller</td>
<td>Square discharge chute</td>
<td>Up to 7,450 cfm</td>
</tr>
<tr>
<td>Up to 12:1</td>
<td>Smooth impeller</td>
<td>Square discharge chute</td>
<td>Up to 7,318 cfm</td>
</tr>
<tr>
<td>Up to 12:1</td>
<td>Serrated impeller</td>
<td>Round discharge chute</td>
<td>Up to 4,400 cfm</td>
</tr>
</tbody>
</table>

### Up to 15:1 Reduction Ratio
Toothed impellers achieve the highest reduction ratio in the industry; up to 15:1. That’s 20% fewer trips to the dump and greater productivity, resulting in greater profits.

### Square Discharge Chute
Anti-clog square discharge chute keeps air and materials moving regardless if leaves are wet or dry.

### 32% More Suction Than Competitive Units
Up to 7,450 cfm of air volume delivers the power to take on big leaf & debris removal projects.

*Self-Propelled models **KV Model

**2x More Bag Capacity**
Collect more debris and get the job done quicker with double the capacity of the nearest competitive unit.

**30% Faster Than Competitive Units**
Speeds as fast as 4.2 mph mean you get more done in less time.

**Best-In-Class Suction**
Pro Vac has had industry-leading suction for the past 20 years.

**Easily eliminate heavy brush, weeds and overgrown vegetation to tackle the most challenging jobs.**

**Solid Linkage**
Solid rods vs. cables eliminate breakage or tangles in brush.

**All Welded Steel**
Heavy-duty construction holds up to the toughest conditions.
