KIT - BLOWER TOOL HOLDER ASSEMBLY INSTRUCTIONS

Intended Use:

The Blower Tool Holder kit is intended to be used on all metal-bodied Little Wonder Blowers (Push and SP). The kit provides a place to store hand tools like brooms, shovels, and rakes. The holder can be installed on either the left or right side of the blower handle, or on both sides if the double kit is used.

Kit Contents (for 1 tool holder):

1	4174040.17	WLDMT TOOL HOLDER
2	64018-18	BLT-CRG 3/8-16 x 2"
2	64268-03	NUT-FL NYLON LOCK 3/8-16

Installation Instructions:

1. Remove 2 carriage bolts that connect the upper handle to the lower handle on the side of the blower you wish to install the tool holder on. Discard hardware.
2. Insert new carriage bolts through square holes in tool holder and then through the holes in the upper and lower handles of the blower. Ensure bottom of holder is facing down as shown.
3. Secure with new flanged nylon nuts and tighten.
4. Repeat for opposite side for second tool holder if desired.
